V. Climate Change Impacts in Hawaii – Emerging Law and Policy

Presentation by: James Buika, Department of Planning, Maui County

Objective: Provide members with an overview for a call for new State legislation, accompanied by streamlined permit policy actions, to expand options in Hawaii to protect threatened existing development along our shoreline.

County Planners Session, 1:00pm – 3:00pm, OP Conference Room

Objective: Provide an opportunity for county CZM planners to meet in a small group to work on common issues, as related to the ORMP, CZM, or as determined by this group.

The Ocean Resources Management Plan (ORMP) policy and working groups serve solely as intergovernmental coordinating bodies. The policy and working groups are not created by law or executive order, and are not required by law to conduct meetings or take official actions. The ORMP policy and working groups do not serve as a forum for engaging the general public. Public outreach and consultation activities are administered separately by state and county government agencies in accordance with applicable statutes and regulations.
