

STATE OF HAWAII
OFFICE OF PLANNING

STATE LAND USE SYSTEM REVIEW

Stakeholder Meetings

November – December 2014

PRESENTATION AGENDA

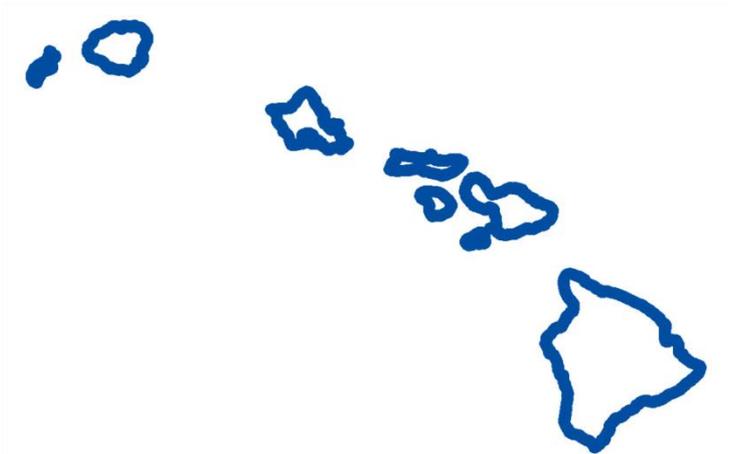

- ▶ Purpose of Meeting
- ▶ OP State Land Use Review Project
- ▶ Overview of State Land Use System
- ▶ Today's Meeting
- ▶ What's Next

PURPOSE OF MEETING

Seek input statewide from stakeholders and public on how the State land use system is working

ROLE OF OFFICE OF PLANNING

OP is the **State's**
planning agency,
responsible for
statewide
comprehensive and
regional planning.

project background

ROLE OF OFFICE OF PLANNING

It has an **interest** in **advancing** the **intent** of the State land use law:

“To preserve, protect, and encourage the development of the lands in the State for those uses to which they are best suited for the public welfare” (HRS Chapter 205).

project background

ROLE OF OFFICE OF PLANNING

It **represents** the **State's interests** in **land use matters** before the **State Land Use Commission**:

district boundary amendments

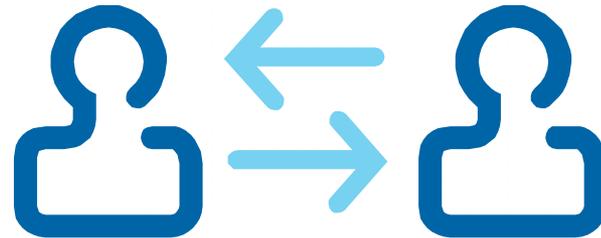

declaratory rulings

special permits

important agricultural lands

project background

ROLE OF OFFICE OF PLANNING

It works with **other state agencies** and **counties** to **evaluate** whether **proposed projects** heard by the Land Use Commission **further the intent** of the State land use law.

project background

PURPOSE OF REVIEW

In OP's work over the years, questions raised about the system. Now we want to know...

**Is the system
working?**

**How might it be
improved?**

project background

STATEWIDE LAND USE SYSTEM

Cornerstone: State Land Use Law

1961

Enacted in 1961 as Act 187

Codified as **Chapter 205, HRS**

statewide land use system

STATE LAND USE LAW

1961

Enacted in response to:

Scattered subdivisions w/o adequate services

Unprecedented population and economic growth

Calls for **State** role in land use management

Development on limited prime agricultural lands

Real estate speculation

statewide land use system

STATE LAND USE LAW

FRAMEWORK for statewide land use management:

Four State land use districts—all lands classified

URBAN

- City-like uses
- **Regulated by counties**

RURAL

- Small farms, low-density residential
- **Uses in Chapter 205**
- **Permitting: counties**
- **Districting: State**

AGRICULTURAL

- Cultivation, other agriculture-related uses
- **Uses in Chapter 205**
- **Permitting: counties**
- **Districting: State**

CONSERVATION

- Forest reserves, watersheds, other nature resources
- **Permitting: State**
- **Districting: State**

statewide land use system

STATE LAND USE LAW

2

Administered by
State Land Use Commission

Nine appointed members – serve as volunteers

Supported by LUC staff

STATE LAND USE LAW

3 LUC **decides** on:

amendments of State
land use districts

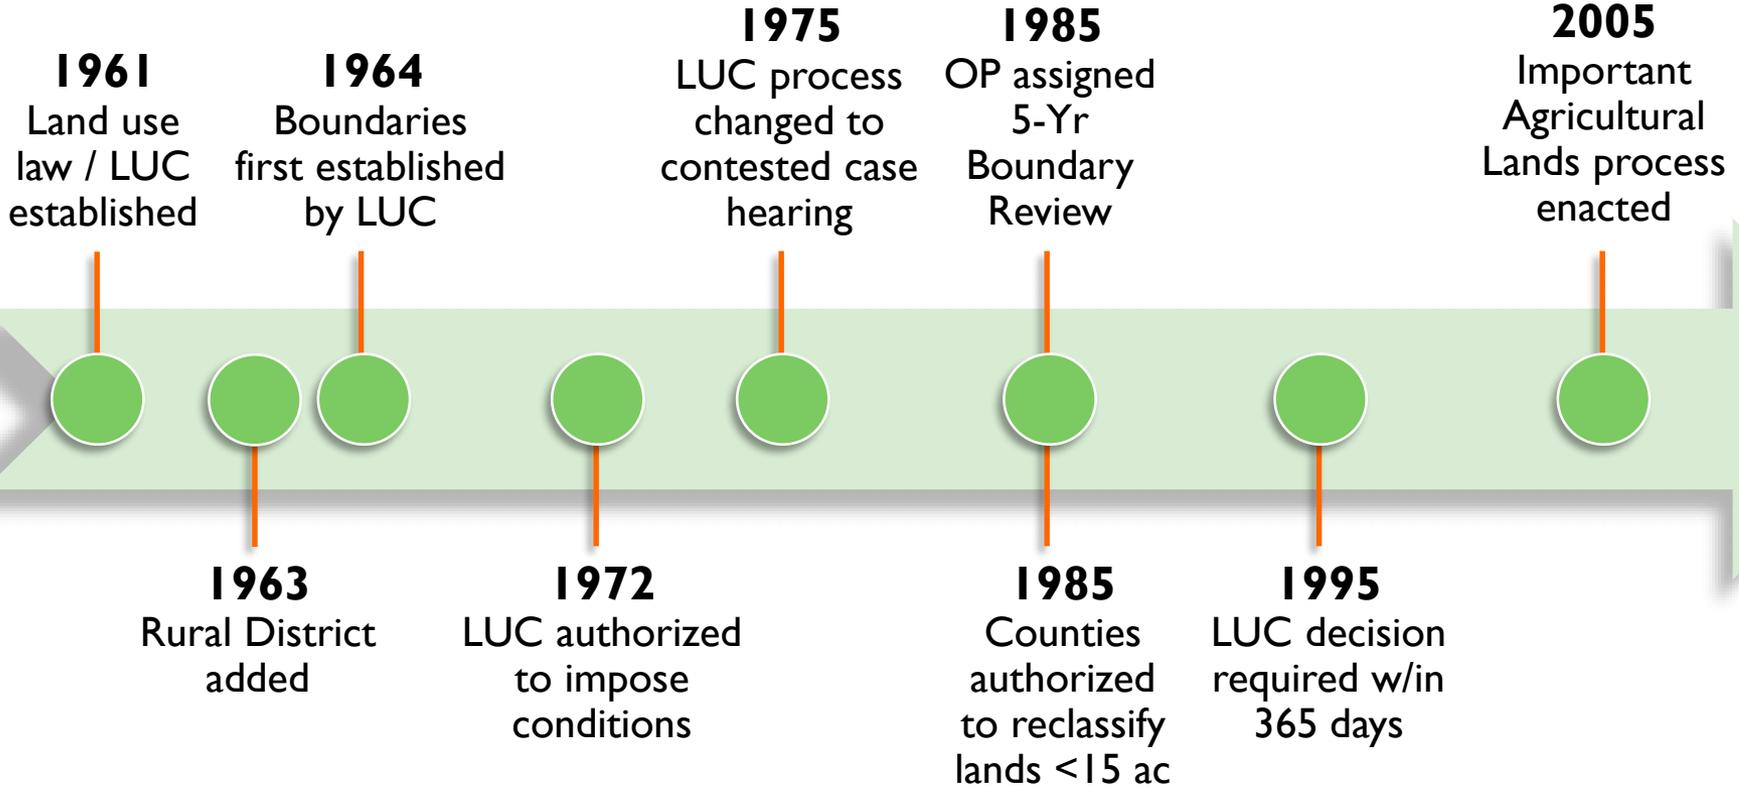

special permits
>15 acres in
Agricultural or
Rural Districts

designation of
Important
Agricultural Lands
(IAL)

declaratory rulings

4 Counties **enforce** district classifications and uses in urban, rural, and agricultural districts

CHANGES IN LAND USE LAW

land use system overview

STATEWIDE LAND USE SYSTEM

Four major components

State
Planning and
Land Use
Process

County
Planning and
Land Use
Process

Environmental
Review
Process

Appeals
Process

Not all projects trigger all four components

land use system overview

STATEWIDE LAND USE SYSTEM: **STATE COMPONENT**

State planning

- Hawaii State Plan and State Functional Plans
- Statewide planning framework

State land use management

- State Land Use Law [LUC]
- State Conservation District [DLNR]

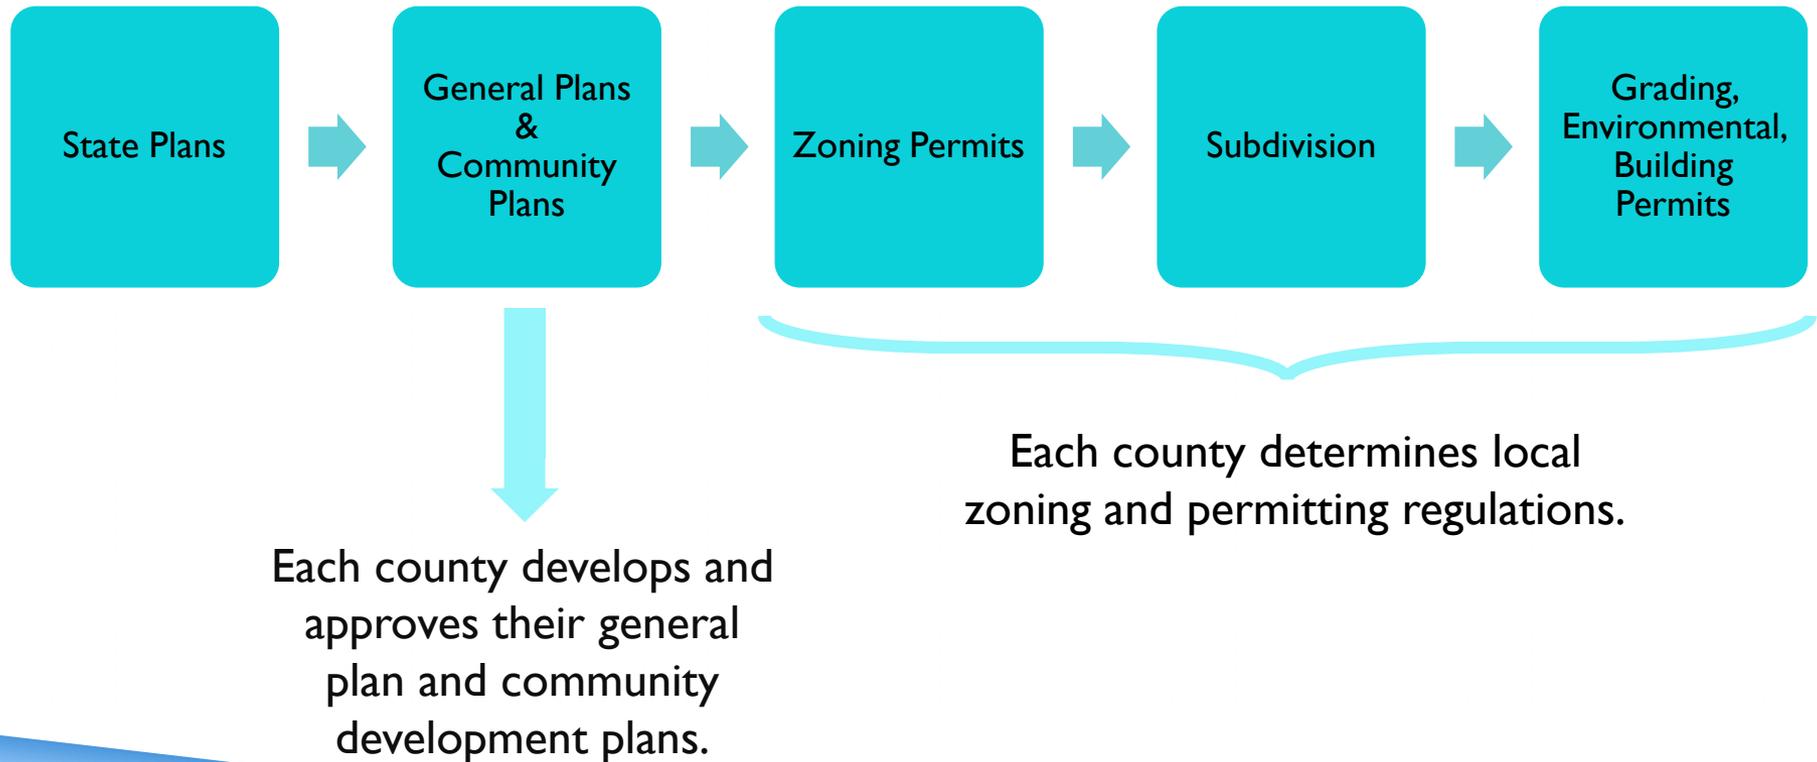

State agency plans

- Long-range and program plans
- Capital improvement plans

State agency permits

- Environmental permits
- Facility permits

STATEWIDE LAND USE SYSTEM: **COUNTY COMPONENT**

STATEWIDE LAND USE SYSTEM:

ENVIRONMENTAL REVIEWS

- ▶ **Hawaii Environmental Policy Act (HEPA), HRS Chapter 343**
 - ▶ **Analysis of environmental, social and economic impacts of proposed projects before first discretionary permit**
 - ▶ **Recommended mitigation measures identified**
- ▶ **Public disclosure and public review process for impacts prior to agency decision making**
- ▶ **Administered by State Office of Environmental Quality Control (OEQC)**

STATEWIDE LAND USE SYSTEM:

APPEALS COMPONENT

- ▶ **State & county laws provide for review and appeal**

examples

Environmental documents

- Appeal of EAs/EISs to court

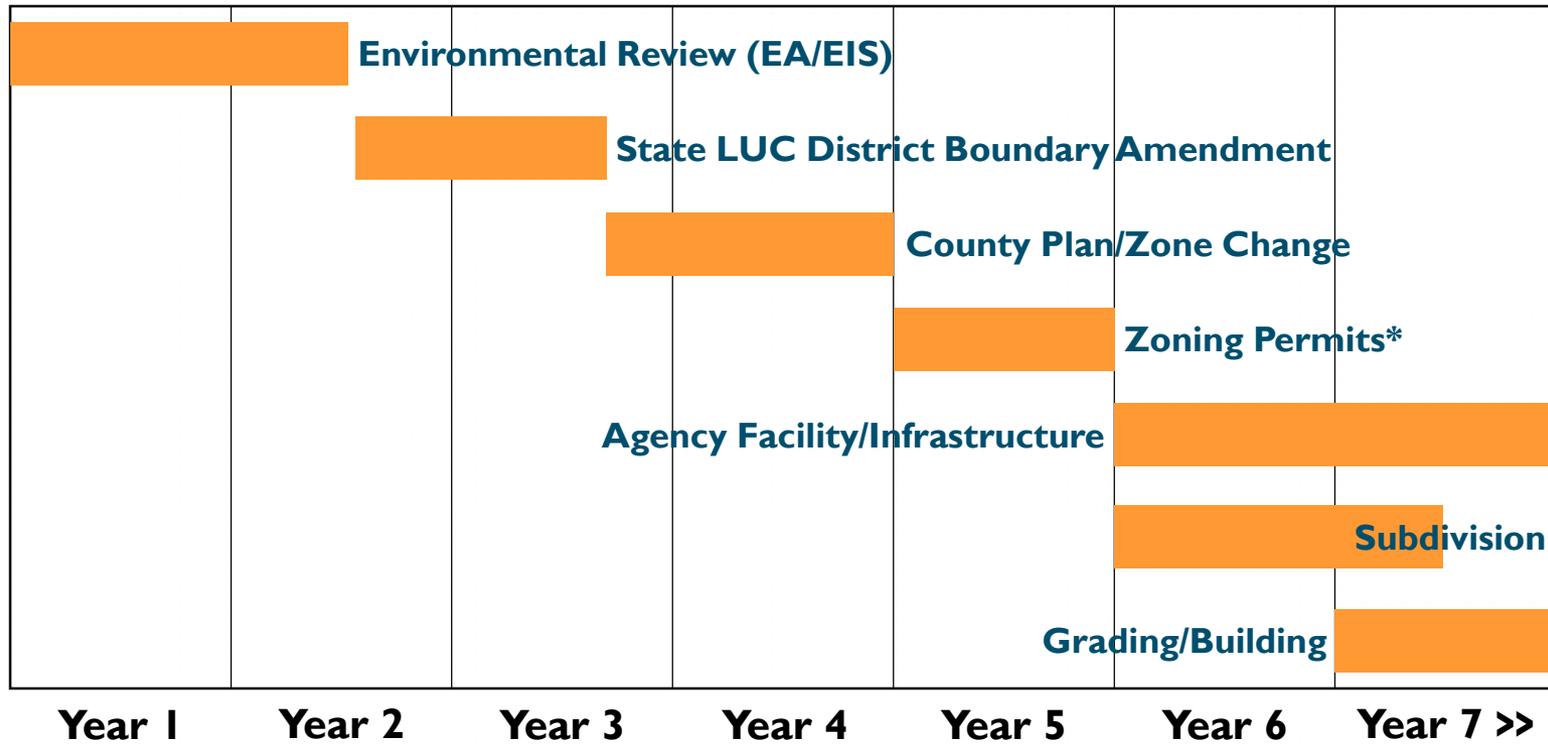

State land use decisions

- Appeal to LUC
- Appeal to court

County land use decisions

- Appeal of zone change to court

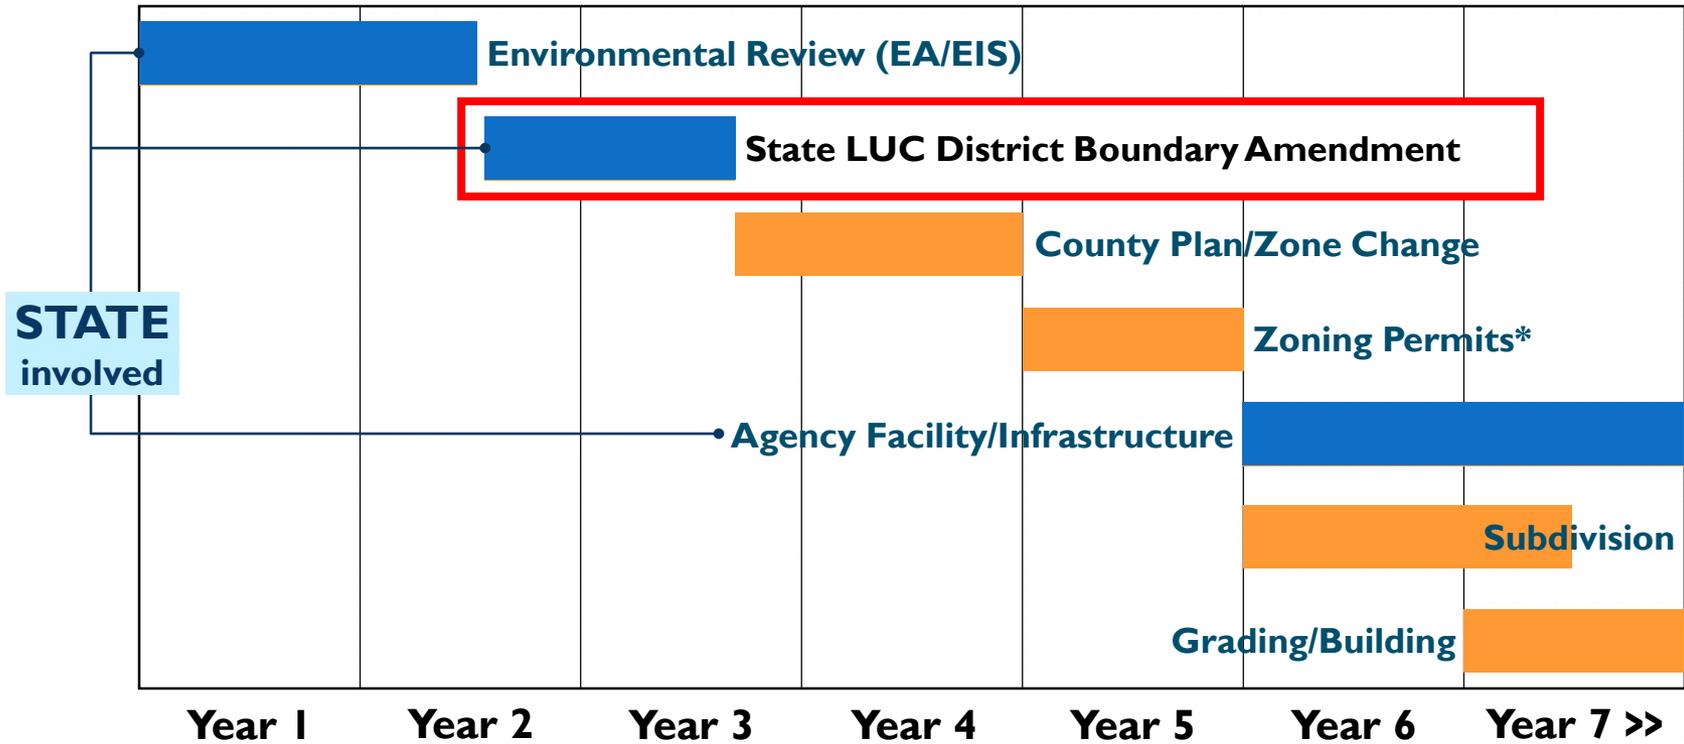

PROJECT APPROVAL PROCESS

* SMA, Zoning, Planned Development, Special District, other

land use system overview

PROJECT APPROVAL PROCESS

* SMA, Zoning, Planned Development, Special District, other

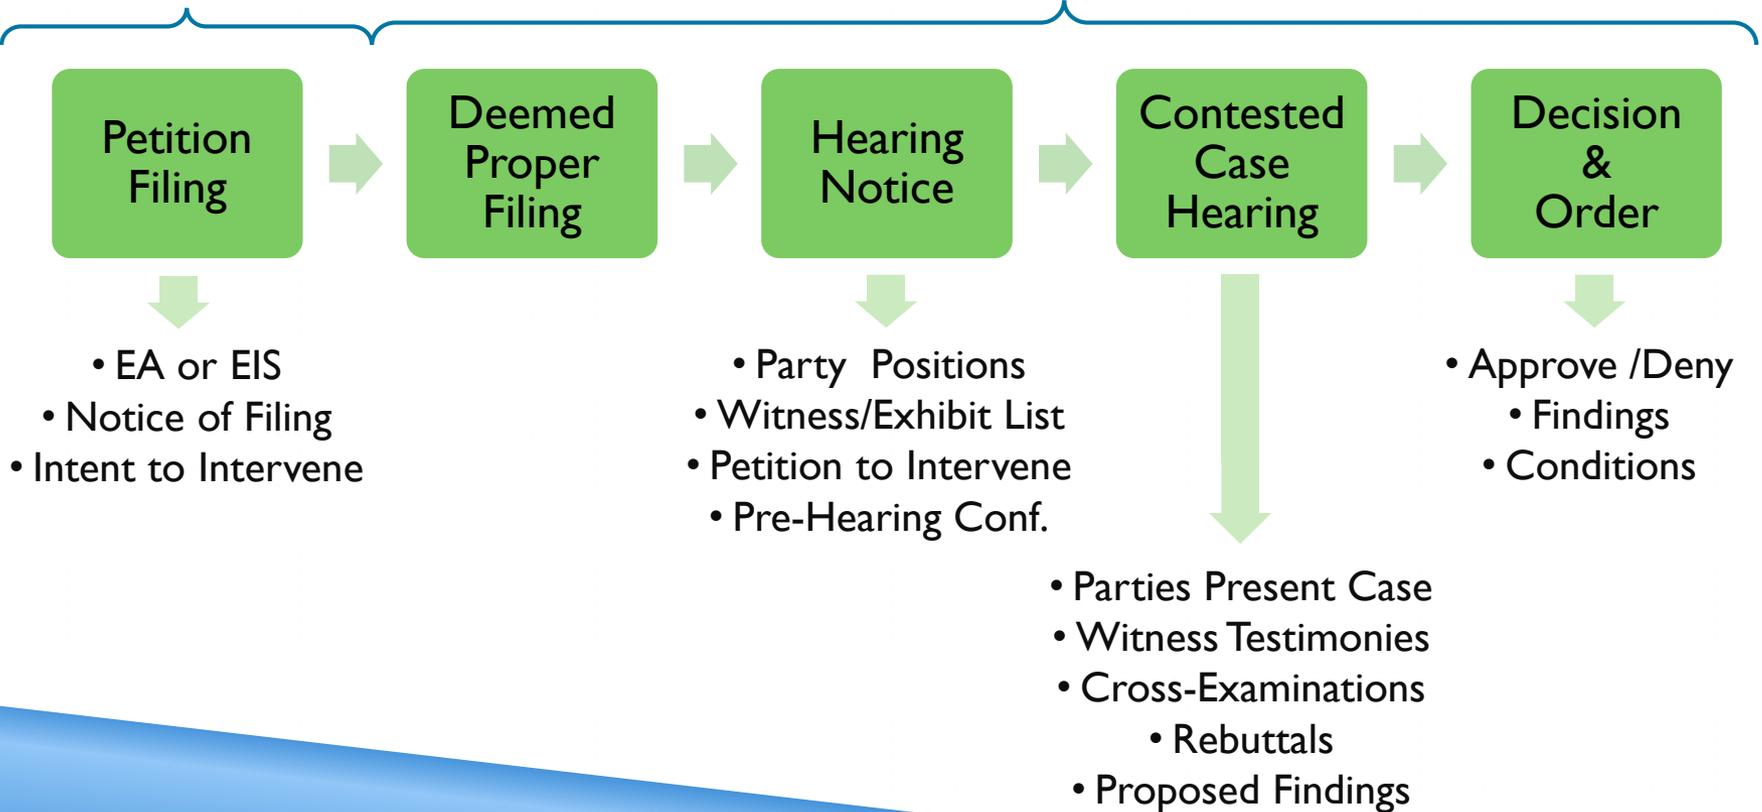

land use system overview

STATE PROCESS:

DISTRICT BOUNDARY AMENDMENTS

Timing determined
by petitioner

LUC has 365 days to
make a decision

STATEWIDE DISTRIBUTION OF LANDS IN STATE LAND USE DISTRICTS

		Statewide		
		1969	2013	Change
	Urban	3.4%	4.9%	↑
	Rural	0.2%	0.3%	↑
	Agricultural	47.6%	45.8%	↓
	Conservation	48.9%	49.0%	↑
