ORMP Planning to Implementation
(and the bridge between)
focus on measurable deliverables

problem solving perspective

guidance for resolving conflicts

need to try to find consensus, but when that is impossible, to make decisions

interagency coordination

pursue funding

focus on a policy framework
A governance agreement can provide this framework.
Today’s Objectives

1. Intro to the framework concept
2. Process to build a framework
3. Outcomes
Intro to the framework concept
Frameworks are supporting structures.
Some structures are a complete mystery.
Agreements can be frameworks.
Agreements can structure partnerships.
Agreements can do the same for us.
Process to build a framework

RELATING TO ENVIRONMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. The legislature finds that according to the Hawaii Climate Change Action Plan, published in November 1998 by the State of Hawaii department of business, economic development, and tourism's energy, resources, and technology development, and tourism's energy, resources, and technology

and the department of health's clean air branch, major climate effects expected for Hawaii include warmer temperatures; increases in heat-related deaths and illnesses; decrease with resultant flooding, beach erosion, and damage to coastal vulnerability to storm damage; increased effects on water resources; urban agriculture and forestry; and stresses on ecosystems.

The 1998

According to recent findings by research

Hawaii, global warming is evident in Hawaii, has risen; rain intensity has increased; decreased; stream flows have decreased; surface temperatures have increased; and the ocean is becoming
