# Community Priorities

## How can action items of the past help inform our vision for 21st Century Kalihi?

The action items listed below were drawn from former planning studies in Kalihi.  
Let us know how these goals resonate with you today!

Ensure housing affordability

More employment opportunities

New shopping and services

Improve the safety and quality of open spaces

Integrate bus and rail transit, bicycle facilities, and pedestrian connections

Improve pedestrian and bike connections to the waterfront

Find solutions for the homeless population

Ensure that streets are safe, well-lit, clean, and attractive
