Contents

**Scope of Work Tasks 1 - 3** ..... 04

Task 1: Preliminary Coordination of Work Products

Task 2: Work and Engagement Plan

Task 3: Report to Legislature

**Scope of Work Task 4: Project Needs and Considerations** ..... 06

Think Tank 1: Chris Reed, Boston

Think Tank 2: Water Level Assumptions

Think Tank 3: Native Hawaiian Socio-Ecological Considerations

Think Tank 4: Communicating Long-Term Retreat: Spatial and Temporal Scales

**Scope of Work Task 5: General Community and Stakeholder Outreach and Engagement** ..... 46

Stakeholder and Community Outreach Report

**Scope of Work Task 6: ARCH 743 Course Integration (Spring 2023)** ..... 78

ARCH 743 Studio Booklet

**Scope of Work Task 7: Analysis of Precedents and Project Site** ..... 82

7.1.a: Resilience and Adaptation Planning Processes, Policies, and Work Products

7.1.b: Urban Design, Nature-Based Solutions, and Visioning Precedent Projects and Initiatives

7.2.a: Mapping and Diagramming Site Inventory

7.2.b: Natural Hazard and Climate Impacts Assessment

7.3: Existing Plans

**Scope of Work Task 8.1: Visioning Activities for Waikīkī** ..... 324

Project Overview and Background

Ridge to Reef Scale

Neighborhood Scale

Project Lead: University of Hawai‘i Community Design Center (UHCDC)  
Principal Investigator: Judith Stilgenbauer, Professor  
Co-Investigator: Cathi Ho Schar, UHCDC Director  
Project Staff: Emily Sobolewski Knight, Research Associate; Sierra Spears, Project Designer  
Project Assistants: Zoë Angelopulo, Kiana Dai, Alzira Fernandes, Kenny Morrow, Sierra Spears

Project Partner: UH Sea Grant  
Co-Investigator: Dolan Eversole, Coastal Processes Specialist  
Co-Investigator and Director: Darren Lerner, PhD  
Bradley Romine, PhD, Coastal Resilience Extension Specialist  
Melanie Lander, Community Planning & Design Extension Specialist

**Scope of Work Task 8.2: Sketch Visions** ..... 426

Preliminary Sketch Vision 1: Accommodation and Protection

Preliminary Sketch Vision 2: Retreat, Nature-Based Solutions, Accommodation

**Scope of Work Task 9: Preliminary Implementation Roadmap** ..... 444

Implementation Roadmap
